E-TOILET INITIATIVE

Co-founder, K.I.C.K Initiative (Keep It Clean Kids) www.kick.net.in

April 2017-

Present

- Co-founded Keep It Clean Kids Initiative with my twin brother focused on children studying in schools in the villages of Ranikhet in Uttarakhand
- large no of girls who drop out of school at ages 12-14 due to lack of information and facilities for managing menstrual hygiene at rural schools.
- Interned at Haryana State Industrial Development Corporation (HSIIDC), Gurgaon under guidance of Mrs Rashmi Kheterpal to understand water management and conservation considerations for implementing sustainable solutions in rural areas
- Helped schools to improve their sanitary condition by setting up E-toilets
- Set up eco-friendly toilets for them in their schools. These toilets consume very little water and run on solar energy.
- Crowdfunded campaign through social media received donations of more than INR 450,000
- Evangelized to corporate sponsors for scaling across other locations by including KICK in their CSR drives
